# DIDIAKNON

SPRING, BEAUTIFUL SPRING IS HERE. Of course, we can only go by the date and the usual "springy" things which are going on about us but from all reports the sun is shining, the babics, birds and dogs are on the loose in Du-Pont Circle, the fountain is playing and the flower venders with their two-wheeled carts rampant with the gay spring colors are still at the old stands on Connecticut Ave. Just close your eyes and think of the afternoon stroll from the Longfellow Building to the Circle. Spring also brings our 9th Birthday plans have been made for the usual 11th of May and the story goes that we shall go all out with a gay celebration on the Starlight Roof of the Chase Hotel. The gals will have beaux a plenty for the call will go forth to the Army, Navy and Marines and the situation will: be well in hand. Region VIII of Finance is reported going in for a bit of spring housecleaning and, like all the species at moving time, one of the Big Boys has gone on a field trip. Jack Taylor, who by the way will soon leave ... us for our Uncle's Navy, says that spring brings to a completion the regular bowling schedule and a combined tournament for the three leagues has been suggested. The tournament for the teams and individuals would be. for a two weeks run, with prizes to be given to the top three teams and individuals in each class as a result of the six games rolled. Handicaps should be revised so each and every. team and individual would have an equal chance So, if you approve and are interested, please call Jack and let him know. And, if it will make you a bit more interested they are really going to put in a "foul line" for Dev Killion and a harness for Jack Leavitt - and that should make the chances a shade more equitable, and had to sleep in Forest Park; Agnes Spring also brought out the gay raiment of the Johnson back from a vacation in Pennweaker sex; Those "Tres chic tailleurs!" in lavender and gray seen flitting around here on served on one of the upper floors; Easter Saturday were but the butterflies which Adonic H. Clark of A&L working twentyemerged from the cocoons of the gruesome two-four hours of each day - mostly Home some" (see previous issue) of Washington Blvd. Ec endeavors - to hear him tell it; There is also a new addition to the Winsett clan and one which may demand an addition to her brother who is back after two yes the abode of that family. B. B. is as busy as in the New Guinea Jungles, while she a little beetrying to get priorities and what mourns the transfer of her spouse from have-you for the said addition and wants a.m.i Scott to Chanuto Field; Dayton Ward on to say nothing of 1.h.k. for the hutch - 'twas the sick list and M. Dyer allowing that a rabbit, you see, and one can just picture lean-to after lean-to being added to the Winsett cottage. Spring also brings the usual WANTS; Jack Levin wants to know if anyone has a 3/4 size girl's bike for his 9-year old youngster; George Piper wants a house to live in come May 1st or he'll have to buy a pup-tent welcome and should be sent to Ray and Fred Heinemann wants to join a car pool

operating in the neighborhood of Manhasset Village - if anyone knows where or how these wants may be fulfilled please call the proper person as soon as possible. "Bob" Craig's many friends in REA will be sorry to hear that he has been and is still a very ill man in a Pittsburgh Hospit 1, although lovely Mrs. Craig writes that he is making a valiant fight and we wish him well. THE EASTER PARADE: Many long faces right at E.R. time no one understanding why the Boss docsn't consider us "supermon" when we're sure we are; M. Gillam cele-brating a birthday with flowers, gifts cards and much fun; Bill Wise reporting from Camp Barclay: H. Lamberton Easter parading in Washington; Ann Hoffelmeyer vacationing in St. Jo., Mo. Annice Foley now Mrs. Lorenzo Totoro and planning to leave us very soon; Raven haired Rosie and D. Murray both planning to leave us with a big gap in our bouquet of beauties; all the A&L boys giving up their luncheon hour (ch, yeah) to practice for that last game, which will put them in first place they are also planning on charging admission; B. Rushlow succeeding F. Scott as Poet Laureate of TSD: an 8 lb. bit of feminine loveliness for the Will Lewises while Daddy reports from the So. Pacific; Emily Scott's mother spending the week-end in an endeavor to check on E's extracurricular activities; Larry Cates: entertaining his mother during the Easter season; Hedy Crywatz with a bad cold on account of she ran out of gas sylvania; luncheons and siestas being Garnet Chaloupka being pretty proud of her brother who is back after two years week end visitor from Ft. L. Wood to become a habit - yes, tis Spring. SPAN is published by the REA Athletic Association for the employees of REA. Ray Stokely, Editor; S. Norton, Associate Editor.
